

## NBV 190

This exciting battery powered 8lt dry only vacuum cleaner is soon to be released by Numatic.

Many people are familiar with their HVR200 vacuum otherwise known as Henry, who has been cleaning up for the past 30 years. Now it's the turn of the NBV 190 with an 8lt capacity and weighing in at a comfortable 6.38kg, it has a run time of 35 minutes and it's easy to eject battery can be fully charged in just 3.5hrs.

For those areas where power is not available or it's dangerous to have trailing leads when daytime cleaning is carried out the NBV190 provides the perfect answer.
